

Quick Heal Technologies Limited Products End of Life Announcement

End-of-Life Announcement for the Seqrite Endpoint Security (EPS) Software Version 6.0

Overview

Quick Heal Technologies Limited (the "Company") announces end-of-life dates for the Seqrite Endpoint Security (EPS) software version 6.0.

The Company announces the end-of-life and end-of-sale dates for Seqrite Endpoint Security (EPS). The last day to order the affected product is September 12, 2023. End-users or customers with active subscriptions will continue to receive support until the end of validity of their respective subscription period. The following table describes the end-of-life milestones, definitions, and dates.

End-of-life Milestones

Milestone	Definition	Date
End-of-Life Announcement Date	The date that announces the end-of-sale and end-of-life of a product is distributed to the public.	September 12, 2023
End-of-Sale date for new subscriptions	This is the last date to order the affected product using the Company's point of sale mechanisms. The product will no longer be available after this date. Note: The end date for subscriptions for the affected product, including the subscriptions ordered after End-of-Life Announcement date, cannot exceed the last date of support and the end-of-life date	September 12, 2023
End-of-Renewal date for existing subscriptions	This is the last date to renew an existing subscription or avail addon for the affected product. Note: The end date to renew subscriptions or avail add-on for the affected product cannot exceed the last date of support and end-of-life date	September 30, 2023
End-of-software maintenance releases date	This is the last date that the Company may make available any final software maintenance releases	January 12, 2024

	incorporating only minor bug fixes or workarounds applicable to the affected product. Software maintenance does not include new enhancements, new functionality, and any change to product architecture. No enhancement will be made to the Software to support new or updated versions of the platform on which the Software runs or to which it connects. After this date, the Company will no longer develop, repair, maintain, or test the affected product	
Last date of on-ground support	This is the last date that the Company may provide any on-ground or on-premises support	January 12, 2024
Last date of telephonic and remote support and end-of-life date	This is the last date to receive support through telephonic and remote means for the affected product. After this date, the life of affected product ends and support for the subscription is not available as the same becomes obsolete	January 12, 2025

Product Migration Options

All the affected EPS Software installation can look to migrate to [Segrite Endpoint Security Cloud For Comprehensive Endpoint Protection](#)
