

# Quick Heal Technologies Limited Products End of Life Announcement

End-of-Life Announcement for the Seqrite Endpoint Security (EPS) Software Version 7.2

## Overview

Quick Heal Technologies Limited (the "Company") announces end-of-life dates for the Seqrite Endpoint Security (EPS) software version 7.2.

The Company announces the end-of-life and end-of-sale dates for Seqrite Endpoint Security (EPS). The last day to order the affected product is January 18, 2024. End-users or customers with active subscriptions will continue to receive support until the end of validity of their respective subscription period. The following table describes the end-of-life milestones, definitions, and dates.

## End-of-life Milestones

Milestone	Definition	Date
<b>End-of-Life Announcement Date</b>	The date that announces the end-of-sale and end-of-life of a product is distributed to the public.	<b>January 18, 2024</b>
<b>End-of-Sale date for new subscriptions</b>	This is the last date to order the affected product using the Company's point of sale mechanisms. The product will no longer be available after this date. <b>Note:</b> The end date for subscriptions for the affected product, including the subscriptions ordered after End-of-Life Announcement date, cannot exceed the last date of support and the end-of-life date	<b>January 18, 2024</b>
<b>End-of-Renewal date for existing subscriptions</b>	This is the last date to renew an existing subscription or avail addon for the affected product. <b>Note:</b> The end date to renew subscriptions or avail add-on for the affected product cannot exceed the last date of support and end-of-life date	<b>January 18, 2024</b>
<b>End-of-software maintenance releases date</b>	This is the last date that the Company may make available any final software maintenance releases	<b>September 24, 2024</b>

	incorporating only minor bug fixes or workarounds applicable to the affected product. Software maintenance does not include new enhancements, new functionality, and any change to product architecture. No enhancement will be made to the Software to support new or updated versions of the platform on which the Software runs or to which it connects. After this date, the Company will no longer develop, repair, maintain, or test the affected product	
<b>Last date of on-ground support</b>	This is the last date that the Company may provide any on-ground or on-premises support	<b>September 24, 2026</b>
<b>Last date of telephonic and remote support and end-of-life date</b>	This is the last date to receive support through telephonic and remote means for the affected product. After this date, the life of affected product ends and support for the subscription is not available as the same becomes obsolete	<b>September 24, 2027</b>

## Product Migration Options

All the affected EPS Software installation can look to migrate to either latest Endpoint Security [Seqrite Endpoint Security \(on-prem\) for Comprehensive Endpoint Protection](#) or [Seqrite Endpoint Security Cloud For Comprehensive Endpoint Protection](#)

<b>No of Endpoints on License</b>	<b>Migrate to Product</b>
<= 100 Endpoints	<a href="#">Seqrite Endpoint Security Cloud For Comprehensive Endpoint Protection</a>
> 100 Endpoints	<a href="#">Seqrite Endpoint Security (on-prem) for Comprehensive Endpoint Protection</a> or <a href="#">Seqrite Endpoint Security Cloud For Comprehensive Endpoint Protection</a>
