Quick Heal Technologies Limited Products End of Life Announcement

End-of-Life Announcement for the Seqrite Endpoint Protection 8.0 (formerly known as Seqrite Endpoint Security 8.0).

Overview

Quick Heal Technologies Limited (the "Company") announces end-of-life dates for the Seqrite Endpoint Protection 8.0 (On Prem).

The Company announces the end-of-life dates for Seqrite Endpoint Protection 8.0 (On Prem). End-users or customers with active subscriptions will continue to receive support until the end of validity of their respective subscription period. The following table describes the end-of-life milestones, definitions, and dates.

End-of-life Milestones

Milestone	Definition	Date
End-of-Life Announcement Date	The date that announces the end-of-sale and end-of-life of a product is distributed to the public.	**August 5, 2025**
End-of-software maintenance releases date	This is the last date that the Company may make available any final software maintenance releases incorporating only minor bug fixes or workarounds applicable to the affected product. Software maintenance does not include new enhancements, new functionality, and any change to product architecture. No enhancement will be made to the Software to support new or updated versions of the platform on which the Software runs or to which it connects. After this date, the Company will no longer develop, repair, maintain, or test the affected product	**March 1, 2026**
Last date of onground support	This is the last date that the Company may provide any on-ground or on-premises support	**March 1, 2026**
Last date of telephonic and remote support and end-of-life date	This is the last date to receive support through telephonic and remote means for the affected product. After this date, the life of affected product ends and support for the subscription is not available as the same becomes obsolete	**March 1, 2026**

Upgrade Option:

Customers currently using EPP version 8.0 are required to download and install the latest version of EPP from our official website. You can download the latest General Availability (GA) version of Seqrite EPP from the following link: https://www.seqrite.com/seqrite-product-installer/
We recommend planning this transition at the earliest to ensure access to the latest features.
For upgrade process visit, https://docs.seqrite.com/docs/seqrite-endpoint-protection-8-3/deployment/migration-guide-8-0-to-8-3/

For any assistance or queries, please reach out to our enterprise support team. The details of Seqrite Technical Support can be found at the below link: https://www.seqrite.com/seqrite-support-center/
